

North Valley Fall Camporee 2008

Are You Ready To Face The Challenge...

We will be traveling back in time to the Pre-Civil War Era. This is back before the flashlights, so instead we will have to use candle lanterns. Also, for cooking up our Saturday dinner we will have to use a Dutch oven, instead of the propane stove. We will also be using pup tents. So do you think you can face the challenge? Come join the fun!!!
