## Help Our Scout House: Water Main Break

 This fundraiser is organized by Group of Citizens Fogelsville PA 18051. 

 Tax deductible

The Group of Citizens, Fogelsville PA 18051, Inc. is a 501c3 non-profit that is the Sponsoring Organization of Scouting America (BSA) Troop 72 & Pack 72 in Fogelsville, Pennsylvania. Our 24 acre Scout property includes a 5,000 sq. ft. facility that experienced a water main break last month. We are seeking assistance towards the excavation and replacement of the underground water line without which our facility will be rendered unusable for our 70 registered youth members and other visiting Scouts. The current repair estimate is \$18,500. Thank you for your kind consideration and your support of Scouting.
