

### **Joe Corbi's Fundraiser!**

We are happy to be selling items from the Better Together (Joe Corbi's/Claire's Gourmet) brochure. Here are the steps to get started towards success! You can sell through the brochure and collect the money or create a Pop-up Shop and they can order online and use their credit card. They can have the items shipped to the group, which you will pick up and deliver or they can choose to pay shipping (great for out of towners/state), FYI, shipping is via FedEx and may be pricey.

### **Create your sellers online Pop-up Shop and /or sell via the book which are available at the Troop meeting on the back table:**

Before you click a link or fill in information, gather email addresses of at least 10 friends and family that you want to talk about the fundraiser. You will get a reward and we will contact them for you. Just put in their contact information and we will do the work for you! You can also share the information via text message. After gathering the info, click this link [Participant registration \(joecorbi.com\)](http://joecorbi.com) and follow the prompts to create your seller's individual code for a Pop-up shop. Your Organization ID is **23248**. You will receive a confirmation email that will have your Pop-up Shop's login information. This is a great way to keep track of the online sales under your seller.

### **Shop online to help support:**

Better Together has great frozen items that your family will enjoy. Shop here for yourself and support your seller: [Participant Code \(joecorbi.com\)](http://joecorbi.com)

### **Get organized:**

Look at the instructional letter that is in your seller packet. This will show the end dates and delivery date for your fundraiser.

### **Extra Bonus, check out those prizes:**

Then sit with your scout and watch this video of the prizes they can earn: <https://youtu.be/Japm4ZrHgYQ>  
Help raise money for your scout accounts that can be used for events, activities, camping, camping gear, patches/pins for advancements (for cub scouts only). Create a goal of how many items you want to sell.

### **Keep track of your seller's progress:**
