Photography MB

Recommended for 3rd year and older Scouts

Beyond capturing family memories, photography offers a chance to be creative. Many photographers use photography to express their creativity, using lighting, composition, depth, color, and content to make their photographs into more than snapshots. Good photographs tell us about a person, a news event, a product, a place, a scientific breakthrough, an endangered animal, or a time in history.

Minimum Age: 11

Maximum Age: 17

Maximum number of participants: 16

Prerequisites: Requirement 1a (bring card to class)

Requirement 8 needed for completion. (discuss in class)

Other Information: Personal digital cameras are encouraged to be used.

BSA Paddle Craft Safety

Float trips are popular Boy Scout, Venturing, and Sea Scout activities. Safety Afloat awareness training provides guidelines for safe float trips and is required of unit leaders, but does not provide the skill training mandated by those guidelines. BSA Paddle Craft Safety expands Safety Afloat training to include the skills, as well as the knowledge, needed for a unit leader to confidently supervise canoeing or kayaking excursions.

Minimum Age: 16

Maximum number of participants: 20

Prerequisites: You must be 16 years old or older to attend this course.

Adults are encouraged to participate.

BSA Swimming & Water Rescue

Training for BSA Swimming & Water Rescue provides BSA leaders with information and skills to prevent, recognize, and respond to swimming emergencies during unit swimming activities. It expands the awareness instruction provided by Safe Swim Defense training. Persons completing the training should be better able to assess their preparation to supervise unit swimming events. The BSA recommends that at least one person with this training is present to assist with supervision whenever a unit swims at a location that does not provide lifeguards. This training is open to any registered adult leader, Scout, Venturer, or Explorer who is age 15 or older. A council approved instructor must directly supervise all training. The course takes approximately eight hours and is valid for three years.

Minimum Age: 16

Maximum number of participants: 10

Prerequisites: You must be 16 years old or older to attend this course.

Adults are encouraged to participate.
