

Troop 72 Annual Patrol Cookoff!

June 16th, 2025, 6:45PM

Remember:

“It doesn’t have to look good to be edible – but it helps!”

This will be a patrol cook-off!!!

- You will be judged in the following categories:
 - Teamwork, Preparedness, Time management, Appearance of the dish, Presentation, taste, Incorporation of the secret ingredient and use of at least five ingredients, Cleanup.
- Each dinner must include at least 5 ingredients
- There will be a secret ingredient that will be provided at the cook-off that you will have to incorporate with your dinner.
- You will not receive full points for this part of scoring if you are not creative with the incorporation of this ingredient (for example, just putting it on the side). So, be unique!
- It might be easier to incorporate the secret ingredient if your “dinner” has multiple dishes – but remember this is a timed competition, so be prepared!!! You must also bring the food that you are going to cook with as well as measuring tools!
- You also must use the Coleman stove at least once to make your Dinner
